## Product Catalogue

"The sweetness of life"

Having been established in Karaman in the year 1996 with enterprises of Simsek Family on a 95.000 m2 closed and 40.000 m2 opened area, in total 135.000 m2 and has been providing its service since then. Furthermore, with its 1.500 staff members, by holing the quality on the top range and by following the latest investment it is spreading its products to all over the world.

Simsek is holding its leadingship in Karaman with its dynamic and professional managing concept and product ranges more than 300 varieties. Moreover, Simsek will become more active in Turkey with its new sales organization that will take place in domestic market. It will promote this with trademark and advertisement and Simsek will continue to take part in globalization with Bie, Roxy and Tio as brands..

22 years before it started to export just to 4 countries , but now it gives service to more than 100 country , from Europe to America and from Africa to Asia & Australia

By considering the human health and from the very beginning of the manufacture process, it assesses its supplying companies and also manufactures in compliance with the European Union Standards by attaching importance upon the quality, and holds the Food Safety certificates under ISO 9001, ISO 22000, BRC and provides its services by primarily considering the maximum customer satisfaction.

Consequently, Simsek's target is to develop and outgrow.
